The screenshot displays the SFL Quotes & Booking Module interface. At the top, there is a navigation bar with the SFL logo and a 'Back to Cargo details' link. Below this is a calendar view for January 2023, with the 9th of the month highlighted. The main content area is divided into two sections: 'Filter options' on the left and a list of search results on the right. The 'Filter options' section includes fields for 'Origin / Destination' (India | Pondicherry Port to USA | Pondicherry Port), 'Cargo Ready Date' (09/01/2023), and 'Additional Services' (Custom Clearance, Insurance, Fumigation). The search results section shows four identical entries, each labeled 'Cheapest', with a 'Port to Port' route from India to USA, an 'EST travel time' of 32-40 days, and the carrier 'IndiGo Indigo Airlines' with a 5-star rating and flight number (582).

The screenshot displays the SFL Order Listing interface. At the top, there is a navigation bar with the SFL logo, a hamburger menu icon, and links for "Order Listing" and "Order analytics". Below the navigation bar, the main content area is titled "Orders" and includes an "Export all" button. A search bar with the placeholder "Search for your shipments" and a "Sort" dropdown menu are also present. The interface features a filter bar with buttons for "All", "Pre-loaded", "In-transit", and "Arrived". The main list displays three identical order entries, each with a "Loaded" status indicator and a star icon. Each entry shows the order ID "S1234567890123456789", the company name "Tech-Power private limited corporated (Hungshan LTD)...", and the origin and destination details: "Origin: 123567589124567123567589124567 19-05-2022" and "Destination: 123567589124567123567589124567 19-05-2022". A "Show details" link and an upward arrow icon are provided for each order. On the right side of the interface, there is a faint world map and the text "Select a ship".
